Retailer version

FAST HAS NEVER BEEN SO UNIQUE.

speedEII
THE E-SCREWDRIVER

Wiha presents the new speedE[®]II – faster, stronger and even more versatile. This is because the new speedE[®]II has two power levels, 0.4 Nm and 1.0 Nm, as a result the speedE[®]II is suitable for an even wider range of applications. The integrated material protection function ensures safety at both performance levels. With the new speedE[®]II, Wiha shows that everything can always be done a little bit better – to open up new sales potential for you.

**THE
ORIGINAL**
FROM WIHA

**Work safely
up to 1,000 VAC**

**3 times faster
than by hand**

**Hand and
muscle-friendly work**

**Strong LED
ring light**

**Made in
Germany**

**2 material
protection levels**

NEW
MORE
POWER

FAST HAS NEVER BEEN SO POWERFUL.

Material protection function at 1.0 Nm: Perfect for larger threaded screws.

Thanks to the new 1.0 Nm power level, speedE®II is now also the ideal tool for fastening tasks requiring greater force. Wherever larger threaded screws are used, with speedE®II you can complete the job 3 times faster than with a conventional screwdriver.

FAST HAS NEVER BEEN SO SAFE.

Material protection function at 0.4 Nm: Perfect for larger delicate applications.

Where more sensitive fastening is required, the power level 0.4 Nm is selected. This allows even sensitive screw connections to be carried out in the shortest possible time, of course with the automatic material protection function to prevent damage to the component in the case of particularly delicate screw connections.

FAST HAS NEVER BEEN SO VERSATILE.

speedE^{II}
THE E-SCREWDRIVER

Faster, more efficient, more controlled: speedE^{II} is a small compact miracle of advantages, benefitting everyone in their daily work. And, like all Wiha tools, speedE^{II} has an exemplary ergonomic design, recommended for good reason by doctors and physiotherapists.

Increases efficiency

100 % compatible with the Wiha Electric Vario Family.

Offers full protection

slimBits tested at 10,000 V AC and approved for 1,000 V AC.

Simplifies the work

Maximum illumination of the working area thanks to LED ring light.

Ergonomically excellent!

*Tested and recommended by the forum: Gesunder Rücken – besser Leben e.V. and the Federal Association of German Back Schools (BdR). More information at: AGR e.V., Aktion Gesunder Rücken e.V., Stader Straße 6, D-27432 Bremervörde, Tel. +49 4761 926 358 0, www.agr-ev.de

Increases your speed

Thrice as fast thanks to electric drive.

Meets your requirements

Quality and durability made in Germany.

Maximum freedom of choice

Open system with a rechargeable standard battery (type 18500).

Protects your health

Recommended by doctors and therapists at the German Campaign for Healthier Backs.

2 MATERIAL PROTECTION LEVELS

FAST HAS NEVER BEEN SO MODULAR.

speedE[®]II

DER E-SCHRAUBENDREHER

Different tasks, different demands: Your customers decide what they need. With the speedE[®]II set, matching accessory modules and torque adapters, everyone can put together all the parts they need individually.

However different the choices may be, with speedE[®]II your customers can increase their performance – and you your sales figures.
